Congratulation to all who are making
The Highland Schools better each year.
My love and prayers are with you.

FOREWORD

We present to you the THE HIGHLANDER for 1964.

We have used as our theme "The Schools of Highland County, the Little Switzerland." In developing this theme, we show the students who come from various valley homes to begin school in one of the three elementary schools. From these schools, they enter high school to continue five years of study.

We Dedicate

Mrs. John B. Reynolds
and Marilyn

It is to Mr. John B. Reynolds that the Seniors gratefully dedicate the 1964 issue of THE HIGHLANDER.

Mr. Reynolds has faithfully and efficiently served the schools of Highland County in various capacities--as principal, classroom teacher, coach, and sponsor of extra-curricular activities. He is at present principal of Monterey Elementary School and physical education teacher there. He was principal of Blue Grass High School from September 1953 through June 1956. Mr. Reynolds has been classroom teacher of commercial subjects, physical education, and driver's education.

As coach of the girl's basketball team since 1958, Mr. Reynolds team has won four district trophies. He has been just as successful in coaching the boy's track teams. His teams have won district meets four or five times.

In extra-curricular activities, Mr. Reynolds had been one SCA Sponsor, Girls Monogram sponsor, and advisor to the business manager of THE HIGHLANDER.

He has been active in Boys Scout work, in the Monterey Lions Club, and in Stonewall Ruritan Club.

GRADUATES OF 1964

Our class was not always small. There were fifty-three of us in the eighth grade in 1960. Some became drop-outs. Some failed and are enrolled in other classes in Highland High. A few transferred to other schools. The nineteen of us have worked, studied, and played together and have eagerly looked forward to graduation.
